Sondos Al Debajah Medical Industry (SDMI)

BUILDING A WORLD-CLASS NATIONAL MEDICAL INDUSTRY

COMPANY PROFILE 2025

Welcome

Welcome to the world of Sondos Al Debajah Medical Industry (SDMI).

We are proud to be part of the Kingdom of Saudi Arabia's healthcare transformation journey, driven by innovation, quality, and a strong commitment to self-sufficiency.

Since our establishment in 2018, we have been dedicated to producing high-quality medical products that support hospitals, healthcare providers, and ultimately the well-being of patients. Today, as we expand into sterile medical supplies and advanced production technologies, SDMI continues to stand as a trusted partner in building a healthier future.

At SDMI, we believe that excellence in medical manufacturing is not just about products it is about trust, sustainability, and our shared vision for tomorrow.

CEO Message

As the Chief Executive Officer of Sondos Al Debajah Medical Industry (SDMI), I am honored and proud to lead a company at the forefront of healthcare transformation in the Kingdom of Saudi Arabia. Following the path of Vision 2030, we strive to build a world-class national medical industry that is self-sufficient and innovative.

Tarfa Al Mutairi
Chief Executive Officer

About US

Founded in 2018, SDMI was established to support and strengthen the medical supplies industry in the Kingdom of Saudi Arabia.

Phase One (2018–2022):

Production of non-sterile medical products including isolation gowns, surgical caps, hairnets, shoe covers, and sterilization packages. Certified CE.

Phase Two (2023–Present):

Expansion into sterile medical products, focusing on surgical gowns and customized surgical packs.

The expansion integrates automation and advanced technology (Lectra, France) to enhance efficiency and precision.

Timeline

2018:

Establishment – Non-sterile products

2020:

COVID-19 – Highlighting the importance of local manufacturing

2023:

Expansion into sterile products

2030:

Aligned with Vision 2030 building a self-sufficient medical industry

Our Values

Innovation: Continuous development and use of advanced technologies.

Quality & Safety: Committed to the highest international standards.

Reliability & Trust: Building long-term relationships with clients.

Sustainability: Environmentally responsible practices.

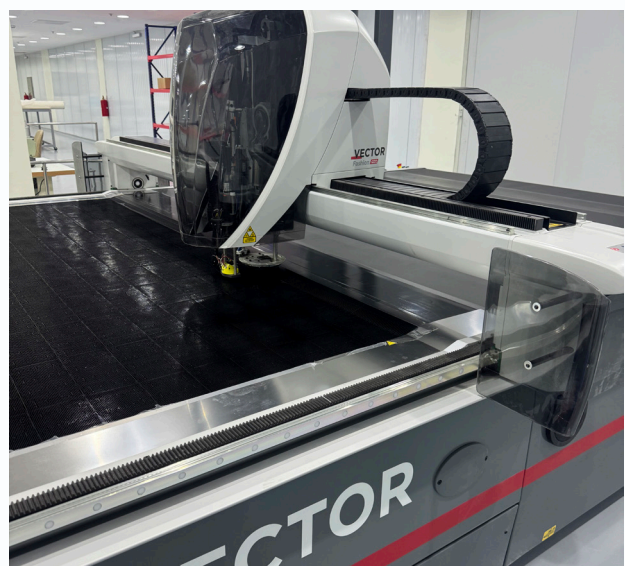

Partnership: Working together for better healthcare outcomes.

Vision

To be a leader in building a sustainable, world-class medical industry in line with Saudi Vision 2030.

Mission

To deliver innovative, safe, and high-quality medical products that empower healthcare providers to save lives.

Our Products
